HISTORY | SEPP KOBER

Sepp Kober, a native of Igls, Austria, competed on the Austrian national ski team before turning pro in 1948. A certified Austrian ski instructor known for his freestyle skiing expertise, Sepp taught in Spain and Norway before emigrating to the United States in 1957. Two years later, in June 1959, The Homestead hired Sepp to help the resort attract more winter guests. He worked with resort leaders to convert the goat course, a small golf course popular with locals, into ski slopes which opened that December. To further enhance the guest experience, Sepp brought ski and snowboard instructors from his home country.

For more than 40 years, Sepp led The Homestead's snow sports program, transforming the resort into a true year-round vacation destination. A believer in Southern slopes, Sepp also helped develop four additional ski programs in North Carolina, Tennessee, and Virginia, and became known as the Father of Southern Skiing.

Sepp was a true advocate for the sport and a founding member of the Southeastern Ski Areas Association and Mid-Atlantic Ski Areas Association. He introduced National Standard Race (NASTAR) competitions and USSA ski races to the South. In 2009, Sepp was inducted into the U.S. Ski and Snowboard Hall of Fame.

NEW ERA | KOBER'S BIERGARTEN

Nestled in the heart of the historic ski lodge, Kober's is a lively gathering place for après-ski, mountain adventures, and time spent with family and friends. Enjoy a curated selection of regional, German, and European brews paired with hearty Biergarten favorites.

Our all-day menu celebrates classic Bavarian flavors, featuring warm Bavarian pretzels, crispy schnitzel, traditional wursts, rich goulash, and creamy Bavarian beer cheese — perfect for sharing after a day on the mountain.

Relax indoors by the circular fireplace or take in the mountain views from the deck. Catch the game with friends, raise a stein, or enjoy live music on weekends. Families can enjoy cornhole and outdoor games, while four-legged guests are always welcome to join the fun.

Whether you're coming straight from the slopes, meeting friends for après-ski, or settling in for great food and a cold beer, the Biergarten is where the mountain day continues — and it's always a good stein.
