# AN INVITATION TO EXCITING ACTIVITIES

## ACTIVITIES

Experience the best of Omni Barton Creek and beyond. Call **EXT. 5609** for details on resort and local activities.

## GOLF

Play like the pros on four award-winning championship courses, designed by the masters of the game – Tom Fazio, Ben Crenshaw, Bill Coore and Arnold Palmer. **EXT. 4653**

### FAZIO CANYONS GOLF COURSE

This award-winning course offers numerous scenic holes lined with stately Red Oaks, Sycamore trees and features spectacular views of Austin’s Hill Country and Short Springs Branch, a bubbling limestone bed creek that meanders throughout the course. The Fazio Canyons golf course also features its own clubhouse restaurant, Canyons Grill.

### FAZIO FOOTHILLS GOLF COURSE

This course is both rewarding to beginners and high handicappers, yet challenging to avid golfers. The design embraces the hilly landscape and places a premium on shot-making. Stunning elevated tee boxes and undulating fairways are complimented by cliffs, creeks, waterfalls and the occasional wildlife.

### COORE CRENSHAW GOLF COURSE

When two-time Masters Champion and Austin native Ben Crenshaw partnered with architect Bill Coore to design this course, he adhered to his design philosophy that “the best architect is nature.”

This course features lush, wide sweeping fairways lined by densely packed trees that will devour errant tee shots, the Coore Crenshaw Cliffside course challenges golfers with its approach to large, well-contoured greens.

### PALMER LAKESIDE GOLF COURSE

A hidden retreat perched on a secluded hilltop overlooking Lake Travis, Palmer Lakeside is a buddies’ trip favorite and a big hitter’s ballpark that features panoramic lake views and twilight glimpses of whitetail deer. Just 45 minutes away from the resort, it is the perfect place to hit the links on a beautiful day.
