LOCAL FLAVOR

- **BEIGNETS** - deep fried pastries, commonly known in New Orleans as a breakfast item, served with powdered sugar on top.
- **PO'BOY** - a traditional sandwich from Louisiana, usually roast beef or fried seafood (shrimp, crawfish, fish, oysters or crab) served on New Orleans French bread.
- **GUMBO** - official state of Louisiana stew. It consists of a strongly-flavored stock, meat or shellfish, and the Creole "holy trinity" - celery, bell peppers and onions.

DID YOU KNOW...?

- Charles Feltman, a German-American Baker, invented the hot dog at Coney Island around 1867.
- Ripe cranberries will bounce like rubber balls.
- Popcorn explodes because each kernel has a perfect drop of water inside it. Your microwave quickly raises that water to the steaming point, and the pressure of the steam rips open the hull and inflates the starchy mush inside.
- The average strawberry has about 200 seeds on it. Each seed that grows into a plant can produce about 24 large strawberries every year.
