

ELEMENTS OF DRINK DESIGN

Much like a well-designed object, a well-crafted cocktail takes into account the contributions of each element and how they play against each other. Balance and tension, comfort and elevation, the nuances of technique and ingredient make each cocktail unique.

The Elements of a Cocktail

BUILD YOUR OWN HIGHBALL 18

Choose your Spirit:

VODKA

Tito's Handmade
Belvedere Organic
Grey Goose

TEQUILA

With sincere gratitude we give thanks to our partners who build community and promote sustainability.

COMMUNITY

21 Seeds Tequila: Female-founded infused tequila inspiring you to gather your tribe of friends new and old, cross borders, share ideas, and make connections.

Appleton Estate Rum: In 1997, Dr. Joy Spence became the first woman appointed master blender in the industry, an amazing milestone for women across the world!

Woodford Reserve Bourbon: Woodford works closely with Old Friend Farms, where racing thoroughbreds are sent to retire and raise awareness of the importance of equine aftercare.

High West Bourbon: Pledged \$1,000,000 over the next three years to organizations that are working to protect the West from wildfires – including “Wildland Firefighter Foundation”, “Protect Our Winters” (POW), and “American Prairie Reserve”.

Monin: Honored to partner with organizations making a positive impact including Grounds for Health, Children of Restaurant Employees (CORE), and Step Up for Students.

SUSTAINABILITY

Patrón Tequila: Patrón was the first distillery to install a natural gas pipeline, which acts as its main energy source and helps reduce CO2 emissions in the atmosphere.

Absolut Vodka: For the past four years, Absolut has been using so-called waste spirits to reduce use of liquefied propane gas (LPG) to generate energy at their Nöbbelöv distillery.

Seedlip: Seedlip is a 1% for the Planet member, giving 1% of global annual revenues to environmental charities dedicated to celebrating and protecting the planet.
