

AMERICAN ALCHEMY

A modern rebirth of American cocktail culture, American Alchemy celebrates centuries of craft, flavor, and inventive spirit. It honors the timeless classics that shaped our cocktail heritage, while transforming them through today's lens of precision, technique, and refined presentation. Each era - and the cocktails that define it - invites guests on a journey through past and present, blending history and innovation into every sip.

COMMUNAL & SOCIAL

Batched and bottled cocktails began as a way to preserve the elegance of a perfectly balanced drink at its peak. Crafted in advance, they ensured every pour carried the same quiet sophistication as the first. Over time, the bottle became a symbol of refinement – an invitation to gather, pour generously or savor personally over time, or share a beautifully made cocktail with the people who matter.
